

Preserve the Meniscus

November 30, 2017

Dubai: **19:00 - 20:00 (GST)**

Munich: **16:00 - 17:00 (CET)**

Speaker

Prof. Adrian Wilson

Basingstoke and North Hampshire Hospital | UK

OrthoENGAGE is an exclusive invite-only web-based platform which was created to keep clinicians from across the globe informed about emerging and innovative techniques. OrthoENGAGE encourages the need for proficient communication resulting in superior clinical outcomes.

In this session Prof. Adrian Wilson, a specialized knee surgeon, will give an overview of all aspects of reinforcement of the meniscus. After this 30-minute talk, the Arthrex Product Management team will be available to discuss open questions for another 30 minutes.
