

20TH NOVEMBER

monday

0730 Registration opens

0830 **Welcome Address** TIM SPALDING

SESSION 1 0835-1000

Alignment, overload and osteotomy

MODERATORS Tim Spalding & Adrian Wilson

0835 Advances in Osteotomy 2017
ALAN GETGOOD

0850 Osteotomy and Unloading braces in the normally aligned knee — a challenging thought
MATS BRITTBERG

0905 Patient specific instrumentation for osteotomy
TBC

0920 Osteotomy using Corrective Nail
MATT DAWSON

0935 Discussion: Cover Technique How I do it: Planning, Exposure, Fixation,

1000 **Coffee break**

SESSION 2 1030-1300

Meniscus

MODERATORS James Robinson & Andreas Gomoll

1030 Root Repair Surgical Technique
ROB LAPRADE

1050 Root repair – where to place sutures
JAMES ROBINSON

1100 Big Pivot = ramp medial, or Lateral root. What I do and why?
ROMAIN SEIL

1115 Meniscus Allograft Transplantation Technique and Results (case based)
TIM SPALDING

1125 Prophylactic MAT? What does the first RCT tell us
NICK SMITH

1135 Discussion

Point Counterpoint Degenerative meniscal lesions:

1200 I Never operate DAVID DEEHAN

1210 Selective surgery required
ANDY PRICE

1220 Discussion

1300 **Lunch**

SESSION 3 1400-1600

PCL Reconstruction + MuliLigament Injury

1400 Clinical Anatomy for PCL and Collateral ligament reconstruction
ROB SMIGIELSKI

1415 My approach to complex knees: clinical examination and stress radiography
ROB LAPRADE

1430 Solving MCL reconstruction
MARTIN LIND

1445 Lateral Reconstruction technique
ROB LAPRADE

1500 Discussion

1530 PCL Reconstruction: Principles and evidence for Double bundle reconstruction
ROB LAPRADE

1545 Discussion

1600 **Tea**

1630 Multi-ligament injury Experience from a UK MTC
PETE THOMPSON

1645 Multi-ligament injury in the athlete
ANDY WILLIAMS

1700 Primary repair and augmentation technique and experience
GORDON MACKAY

1715 Discussion

Hot topic for concern

1745 Consent and influence on our practise
GUEST SPEAKER TBC

1830 **Bar discussion**

1930 **Dinner**

21ST NOVEMBER

tuesday

@WarwickOrtho
#SportsKnee17

OPTIONAL SESSION 0630-0730

Detox session in the pool or non-run

SESSION 4 0830-1015

ACL Session

0830 Ligament Registries: performance enhancing or performance exposing
WILLIAM HAGE

0840 Improving my practise using data and evaluation
THOMAS HARLEM

0850 Anatomy of the ACL: Double Bundles and Ribbons. My ACL technique and results
ROB SMIGIELSKI

0905 The paediatric ACL injury: treatment strategy
ROMAIN SEIL

0920 Quads Tendon for ACL reconstruction: A key option
CHRISTIAN HOSER

0935 Work up for the failed ACL reconstruction
JAMES ROBINSON

0945 Discussion

SESSION 5 1015-1130

Primary repair of the Anterior Cruciate

MODERATORS Alan Getgood & Gordon Mackay

1015 We can get ACL to heal- techniques + results
GREG DIFELICE

1030 Primary repair of the ACL: Technique and role in paediatric patients
ADRIAN WILSON

1045 Use of Tape reinforcement in ACL and other knee Ligament Repair
TBC

1100 The BEAR technique for ACL primary repair
MARTHA MURRAY

1115 Discussion

1130 **Coffee**

SESSION 6 1200-1315

Anterolateral Reconstruction

MODERATOR Andy Williams

1200 Anatomy and biomechanics of the anterolateral complex
ALAN GETGOOD

1210 Lateral tenodesis: Why, when and how
ANDY WILLIAMS

1220 Anterolateral ligament reconstruction: Why when and how
ADRIAN WILSON

1230 Should I add anterolateral reconstruction into my practise
ALAN GETGOOD

1240 Roundtable Discussion
ALAN GETGOOD, ANDY WILLIAMS, ADRIAN WILSON, GREG DIFELICE, ROMAIN SEIL

1300 Return to sport criteria – achieving success following knee surgery
CHRISTIAN HOSER

1315 **Lunch**

SESSION 7 1400-1700

Articular Cartilage, Subchondral Bone and Biologics

MODERATORS Tim Spalding and Andy Metcalf

1400 Bone marrow lesions - structured thoughts
GIAN SALZMANN

1415 Subchondroplasty – specific treatment for BML's
NICK LONDON

1425 OrthoBiologics update – a practical guide in 2017
LAURA DE GIROLAMO

1440 Lipogems – clinical applications and results
VINCENTO CONDELLO

1450 Discussion

1500 ACL works – a health technology appraisal
NORMAN WAUGH

1515 Osteochondritis Dissecans – an algorithm for management
JOANNA THOMAS

1530 Osteochondral Allografts – best option in 2017
ANDREAS GOMOLL

1545 Cartilage repair Options in 2017: biological to focal resurfacing
MATS BRITTBERG

1605 Cause for concern: Chondrotoxicity of intra-articular local anaesthetics and steroids
VLADIMIR BOBIC

1610 Round table discussion
VLADIMIR BOBIC, MATS BRITTBERG, IAN MCDERMOTT, LEELA BIANI, JAMES RICHARDSON, ANDREAS GOMOLL & NORMAN WAUGH

1700 **Closing remarks**
